Sharing Ideas at the Frontiers of Science

There has never been a better time to experience a Gordon Research Conference! Our high quality, cost-effective meetings are widely recognized as the world's premier scientific conferences.

Understanding Design and Delivery of Active Pharmaceuticals Including Biomolecules and Parenteral Drugs

Preclinical Form & Formulation for Drug Discovery

June 7-12, 2015
Waterville Valley Resort
Waterville Valley, NH
Has associated GRS*
June 6-7

Unraveling the Form and Function of the Nucleus **Genome Architecture in Cell Fate and Disease (NEW)**

June 7-12, 2015
The Chinese University of Hong Kong
Hong Kong, China

Towards Molecules Performing Useful Work **Artificial Molecular Switches and Motors (NEW)**

June 7-12, 2015
Stonehill College
Easton, MA

Apoptotic Cell Recognition and Clearance

June 14-19, 2015
University of New England
Biddeford, Maine
Has associated GRS*
June 13-14

Polyamines and Their Metabolic Regulation in Biology and Disease **Polyamines**

June 14-19, 2015
Waterville Valley Resort
Waterville Valley, NH
Has associated GRS*
June 13-14

Beyond Technical Limits: Electrophysiology and Cell Biology of Organellar Channels and Transporters **Organellar Channels and Transporters (NEW)**

June 14-19, 2015
Bentley University
Waltham, MA

Advancing Biosystems Design **Synthetic Biology**

June 28 - July 3, 2015
Sunday River Resort
Newry, Maine

Using Evolutionary Perspectives to Inform Molecular Biology and Medicine, and Molecular Biology to Elucidate Evolutionary History and Mechanisms

Molecular Mechanisms in Evolution

June 28 - July 3, 2015
Stonehill College
Easton, MA

Mechanistic Toxicology: The Path Forward

Cellular & Molecular Mechanisms of Toxicity

August 9-14, 2015
Proctor Academy
Andover, NH
Has associated GRS*
August 8-9

* A Gordon Research Seminar (GRS) is a two-day seminar for graduate students and post-docs that precedes an associated GRC.

Our 2015 calendar includes:

Temporally and Spatially Resolved Molecular Science (Faraday Discussion 177)
12–14 January 2015, Bangalore, India
<http://rsc.li/fd177>

Nanoplasmonics (Faraday Discussion 178)
16–18 February 2015, London, UK
<http://rsc.li/fd178>

Directing Biosynthesis IV (DBIV)
25–27 March 2015, Norwich, UK
<http://rsc.li/dbiv>

Nucleation - a Transition State to the Directed Assembly of Materials (Faraday Discussion)
30 March–1 April 2015, Leeds, UK
<http://rsc.li/nucleation-fd2015>

Corrosion Chemistry (Faraday Discussion)
13–15 April 2015, London, UK
<http://rsc.li/corrosion-fd2015>

Nanoparticle Synthesis and Assembly (Faraday Discussion)
20–22 April 2015, Chicago, USA
<http://rsc.li/nanoparticle-fd2015>

Challenges in Chemical Biology (ISACS16)
15–18 June 2015, Zurich, Switzerland
<http://rsc.li/isacs16>

Solid Oxide Electrolysis: Fuels and Feedstocks from Water and Air (Faraday Discussion)
13–15 July 2015, York, UK
<http://rsc.li/electrolysis-fd2015>

Register for this event and receive 25% discount off your registration fee for the 12th International Conference on Materials Chemistry (MC12).

12th International Conference on Materials Chemistry (MC12)
20–23 July 2015, York, UK
<http://rsc.li/mc12>

Register for this event and receive 25% discount off your registration fee for Solid Oxide Electrolysis: Fuels and Feedstocks from Water and Air: Faraday Discussion.

24th International Symposium: Synthesis in Organic Chemistry (OS24)
20–23 July 2015, Cambridge, UK
<http://rsc.li/os24>

Carbon Dioxide Utilisation (Faraday Discussion)
7–9 September 2015, Sheffield, UK
<http://rsc.li/cdu-fd2015>

Challenges in Chemical Renewable Energy (ISACS17)
8–11 September 2015, Rio de Janeiro, Brazil
<http://rsc.li/isacs17>

Single-Molecule Microscopy and Spectroscopy (Faraday Discussion)
14–16 September 2015, London, UK
<http://rsc.li/molecule-fd2015>

Supramolecular Photochemistry (Faraday Discussion)
15–17 September 2015, Cambridge, UK
<http://rsc.li/photochemistry-fd2015>

Challenges in Organic Materials & Supramolecular Chemistry (ISACS18)
19–21 November 2015, Bangalore, India
<http://rsc.li/isacs18>
