

BJOG REFEREES 2007

BJOG relies heavily on its referees. They don't just help us decide which papers we should publish, they also give freely of their time with comments to help the authors present their data more effectively, and thus improve the quality of the published article. To reflect the international nature of BJOG, the referees who contributed in 2007 are based in many different countries, including: Argentina, Australia, Austria, Bangladesh, Belgium, Belize, Brazil, Canada, Chile, China, Croatia, Denmark, Egypt, Ethiopia, Finland, France, Germany, Greece, Hong Kong, Iceland, India, Iran, Ireland, Israel, Italy, Japan, Jordan, Lebanon, Lithuania, Malaysia, Netherlands, New Zealand, Nigeria, Norway, Pakistan, Poland, Republic of Korea, Saudi Arabia, Scotland, Singapore, South Africa, Spain, Sri Lanka, Sudan, Sweden, Switzerland, Taiwan, Thailand, Tunisia, Turkey, Uganda, UK, United Arab Emirates and USA. The referees who helped us in 2007 are listed below as a small token of our appreciation and thanks.
