KENNETH W. WARREN FELLOWSHIP

The President and Council of the International Hepatopancreatobiliary Association (IHPBA) are honoured to announce for award the inaugural Kenneth W. Warren fellowship, made possible by a generous donation to the IHPBA by Dr Kenneth W. Warren.

Applicants should be under the age of 50 at the time of the award (1 June 2001).

The Fellowship is to the value of \$US20 000 to be used to support the recipient's own salary in conducting clinical or laboratory research over 12 months in a host department and country outside the applicant's own department and country. The Fellowship may commence at any time after award but no later than 6 months after it has been awarded.

The application should include the following:

- (1) The applicant's curriculum vitae
- (2) An outline of the research project including title, background, aims, methodology and time frame for the research. (This outline should not exceed one (1) A4 page.
- (3) An acknowledgement from the host department to provide support for the applicant's research.

CLOSING DATE: 30 April 2001

Send application to:
